

# TAMMANY AND WOMAN SUFFRAGE WIN TREMENDOUS VICTORIES

France and in camp have not been included, but no returns from them can affect the results. The size of the soldier vote is still uncertain, being estimated as between 40,000 and 50,000, which will be divided among the various candidates, thus only changing in a small degree the final official count.

## LEWIS RE-ELECTED ATTORNEY GENERAL.

The only State officers voted for in this election were two Judges of the Court of Appeals and an Attorney General. The Judges, Chester B. McLaughlin and Benjamin N. Cardoso, were on both Republican and Democratic tickets, and were so assured of election that their votes have not yet been counted.

While the Democrats gave a large plurality in New York City for D. P. Hodson for Attorney General, the up-State Republican vote was overwhelming for the present Attorney General, Merton E. Lewis, thus re-electing him.

The State Assembly will be Republican by a large majority, although a few seats were gained by the Democrats. On the face of the returns the Socialists have elected nine members.

The Democrats elected by large pluralities all five Borough Presidents—F. L. Dowling in Manhattan, Henry Bruckner in the Bronx, E. Riegelmann in Brooklyn, Maurice E. Connolly in Queens and C. E. Van Name in Richmond.

## SWANN AND M'AVOY WIN.

Tammany also re-elected District Attorney Edward Swann, who has a majority over his opponents, W. L. Ransom, Fusion, and Joseph E. Corrigan, Independent. Corrigan received only 11,559 votes and Ransom got 71,675.

John V. McAvoy, the Tammany candidate for the Supreme Court, also won over Samuel H. Ordway, his Fusion opponent. The Tammany candidates for the City Court and for the other county and borough offices appear to have been elected by substantial majorities, with few exceptions.

The largest vote given to any of the Mayorality candidates by any Assembly district was in the Third of Manhattan, where Hyman got 8,700. The lowest vote given to any of the Mayorality candidates was in the Fourth Assembly District of Manhattan, where Bennett received 54 votes.

Despite the charges of fraud bandied among the managers of all of the candidates, the five boroughs proceeded to vote with comparatively little disorder. The perfect autumn day brought out a vote approximating the maximum estimates of the experts.

## CLOSE WATCH ON THE VOTING.

The polls in all of the boroughs were most carefully watched, not only by the police but by representatives of all of the parties, including the suffragists. As a matter of fact, the women working for the adoption of the amendment conferring equal franchise upon members of their sex added a picturesque touch to the approaches to the polling places. They studiously respected the law which prevented party workers from operating within a hundred feet of polling places, but they were very much on the job and buttonholed the voting citizens diligently and intelligently.

Up to the close of the polls the police reported five arrests from the five boroughs, the larger number of which were for alleged illegal attempts to vote. The rest were for minor infractions of the election law.

As a rule, the voting in Manhattan, Brooklyn, Queens and Richmond proceeded in a most orderly manner. At one or two places in the Bronx, where the Socialists made surprising gains, there were demonstrations similar to those that occurred on the east side of Manhattan. Seven arrests were made for disorderly conduct.

## MAYOR KNOWS NOTHING OF OFFER OF U. S. JOB

Doesn't Take Defeat Seriously—Wanted Man Like "Al" Smith to Succeed Him.

Accompanied by Corporation Counsel Lamar Hardy and License Commissioner George H. Smith, Mayor Aldrich reached City Hall at eleven o'clock today. He was asked if he had received an offer from President Wilson to take charge of the work of extension of training camps all over the country. Reports of such an offer were received this morning from Washington.

"I know nothing of such an offer," said the Mayor, "and therefore cannot discuss it."

The Mayor was asked if he had any statement to make in addition to that issued when he heard of Judge Hyman's election. He replied in the negative. As he entered his private office, the Mayor's first words were: "Now, let's get down to business."

It is known Mayor Mitchell does not take his defeat as seriously as many are led to believe. He knew some time ago that he could not be re-elected, but he did not care to discuss it.

N. Y. SOLDIER VOTE 100,000.

ALBANY, Nov. 7.—Packages containing votes cast by soldiers from this State in various camps were opened today at the office of Secretary of State Hugo. The ballots will be compared with the poll lists and be forwarded to the election boards throughout the State, to be counted and canvassed.

It is estimated that about 100,000 soldiers from this State voted. The number at Spaulding was 15,000. About 20,000 voted at Tappan and about 1,500 at Fort Verde. The soldier's vote will be canvassed before Nov. 15.

### The SEVILLE

A decidedly smart glove with a wide range of utility.

The colors are as charming as their names—amber, beige, cafe au lait, mode, maize, primrose, Tucson gray, pigalle and pastel shades. White, too, with black, amber, gray and African brown embroidery (these are very popular). All are glove like, pique sewn.

Suede also, in the modish grays.

## MURPHY GET OUT? "NOT A CHANCE," DECLARES LEADER

Boss Says He Will Not Help Pick City Officials—“Yet.”

Charles F. Murphy reached Tammany Hall at 1:30 o'clock this afternoon, and encountered a mob of leaders and workers, who had been waiting since noon for his arrival. He said he had nothing to add to the statement he issued last night, in which he claimed that the election was an endorsement of the Democratic organization.

"Now, that you have vindicated Tammany Hall and the organization has elected a Mayor by the biggest plurality ever recorded in the city, are you going to resign the leadership, as has been reported?" Mr. Murphy was asked.

"Not a chance," he snapped back. "Have you decided to do anything in an advisory way in the matter of the selection of city officials in the new administration?" asked a reporter.

"Not yet," replied the boss with a grin.

Mr. Murphy said he had not arranged to meet Judge Hyman, whom he had not seen, outside of a political meeting, during the campaign. When asked if he would be at the City Hall when Judge Hyman takes office as Mayor on Jan. 1, he said:

"I'll take that up later."

The boss of Tammany has arranged to go to French Lick Springs, Ind., for a rest. It is probable that a co-tour of Tammany leaders and hangers will follow him to that retreat and that the Tammany official state will be tentatively arranged there.

## HYLAN DECLARES HE WILL BE MAYOR OF HOME OWNERS

(Continued from First Page.)

I have referred to as the moneybags, foodstuffs cannot be unloaded if they do not wish them to be and often they rot or else farmers are discouraged from making shipments.

"Now the Federal Government recognized this condition, and made arrangements for the improvements and stocking facilities for the city on Jamaica Bay. It was prepared to reimburse the city for all the money that might be expended on the work."

All that New York had to do was to go ahead, and what was spent would come back to it. This, in addition to the fact that the earth thrown up behind the bulkheads makes valuable new land. There is something, you see, in this."

"Why has this work been discontinued? What interests have been strong enough to throw to one side this attempt of the Government to help New York and the home owners of this city? I want to find out, and I intend to correct this condition."

"Then, again, I want a man to have a chance to show he has worked hard to get a home to have some chance to keep it. I want to end another condition under which you can never own a home."

The company absorbed the All-Package Grocery Stores Company of New Jersey in 1915, leading \$20,000,000 in common stock for the stock of the company. The company was then the largest of its kind in the United States.
